You are counting the Emergency Make up days unless the teachers are working the week of June 10th?

*June 4-7 are designated as Emergency School Closure Make-up Days. If we have an emergency school closure during the year, these days will be used to replace any missed days of instruction. If we do not have an emergency school closure during the year, the school year will end on May 31, 2024. A decision whether days need to be made up or not will be announced no later than the first week of February.
